Finding Materials in McConnell Library

When you find an item in the McConnell Library catalog, look for this information on the screen:

<table>
<thead>
<tr>
<th>Location</th>
<th>Status</th>
<th>Call Number</th>
</tr>
</thead>
<tbody>
<tr>
<td>Main Collection – Level 3</td>
<td>AVAILABLE</td>
<td>PS3572 .OS G3 1985</td>
</tr>
</tbody>
</table>

The names of many locations will include the number of the floor where the item is located. For other locations, match the name of the “Location” for an item to the list below to find the correct floor.

The “Status” box tells you whether the item is available in the library or not. If you don’t understand the “Status” message, please ask at the Research Help Desk or the Front Desk.

Level 1 contains movable, compact shelving. If an aisle is closed, press the lighted green button located to the left of the closed aisle and the aisle will open. If the button is red, someone is in an adjacent aisle and the shelves will not move. If you have problems, use the intercom telephone on the column near the elevator to connect to the Front Desk on Level 3.
